About Butwal Kalika Campus

Established in 2070 BS and affiliated to Tribhuvan University, Butwal Kalika Campus is a QAA-certified leading community campus committed to providing quality education at an affordable cost. Nestled in the peaceful surroundings of Ramnagar - reasonably away from the noise and rush of urban vicinity - BKC offers a calm and inspiring environment for learning. From its inception, BKC is committed to academic excellence and has been consistently working to make quality education accessible and affordable to students from all walks of life.

Founded through the vision and dedication of local educationists, the campus began as a community-led initiative with a mission to make higher education accessible to all. Over the years, BKC has transformed into one of Nepal's most distinguished community campuses, renowned for its academic excellence, consistent national-level achievements, and unwavering commitment to nurturing future leaders. Built on a legacy of quality education and community service, the institution continues to empower generations of students to achieve their full potential.

Today, nearly 4,000 students proudly call BKC their academic home, pursuing degrees in BBS, B.Ed., BCA, and BASW, with several new programs set to be introduced in the coming years. Through innovative teaching practices, state-of-the-art facilities, and an industry-focused academic approach, BKC creates a dynamic learning environment that prepares students for the challenges of the modern workforce. By connecting classroom knowledge with practical application, the campus empowers learners to become skilled professionals, responsible citizens, and future leaders.

Vision:

Butwal Kalika Campus is committed to educating and empowering students, ensuring equitable access to quality education, and serving the community through academic excellence, innovation, and social responsibility.

Mission:

To exceed the expectations of students, faculty, staff, and the community by expanding opportunities for learning, personal growth, and community development, while fostering excellence, innovation, and lifelong success.

Message from the Chairman

Hom Bahadur Galami

Dear Students and Guardians,
Welcome to Butwal Kalika Campus (BKC).
Higher education is a turning point - one that shapes your career, your confidence, and your future. At BKC, we offer a diverse range of programs specifically designed to equip you with the skills, values, and mindset needed to succeed in today's competitive world.
Our dedicated faculty are here to guide and support you every step of the way, ensuring a learning experience that is both enriching and rewarding.
We are glad you chose BKC, and we promise to make your journey here truly worthwhile.

Message from the Campus Chief

Ghanshyam Pathak

Dear Prospective Students,
Thank you for considering Butwal Kalika Campus (BKC) for your higher education. It truly means a lot to us.
At BKC, we are committed to creating an environment where every student can learn, grow, and succeed - not just academically, but as a whole person. Our experienced faculty, modern facilities, and supportive environment ensure that you have everything you need to reach your goals.
Beyond the classroom, our wide range of extra-curricular and co-curricular activities give you the space to explore your interests, build real skills, and prepare for the challenges ahead. I personally invite you to visit our campus, meet our team, and see for yourself what BKC has to offer.
We look forward to welcoming you to the BKC family and supporting you as you build a bright and successful future.

Pedagogical Strategies

BKC is faculty enriched institution where all the faculty members are well set up with sound knowledge and they possess cutting edge knowledge in their respective domain. The key pedagogical strategies at BKC are:

- Student centered teaching learning
- Digital classroom presentation
- Project work and presentation
- Group discussions
- Visiting faculties
- Training, workshops and seminars
- Field works and presentations
- Case analysis

Our Facilities

Library

BKC has a resourceful library. It has a wide collection of books, reference materials, academic journals, and an e-library with an access to 4 lakhs database.

Cafeteria

The college cafeteria offers a clean, comfortable, and friendly environmental where students can enjoy eating fresh and healthy food at reasonable prices.

Transportation

BKC provides reliable and well-managed transportation service for the students. This facility is available on specified routes and designated stops at main points within and around the city.

Seminar Hall

The campus has one well-equipped seminar hall with the capacity of 200 seats for different kinds of interaction programs, presentation, trainings, and workshop programs.

Multi-Purpose auditorium Hall

The campus has a magnificent program hall that can accommodate approximately 1000 students at a time where we can run mega programs.

Incubation Lab

BKC's Incubation Lab is the platform for the next generation of entrepreneurs and innovators. It is a dedicated space where bold ideas are nurtured, tested, and transformed into real-world solutions. With expert mentorship, collaborative workspaces, and access to industry networks, students are empowered to think beyond the classroom and build beyond boundaries. At BKC, we don't just create graduates. We create game-changers.

Techno-friendly Classes

All the classrooms in BKC have in built multimedia projectors in the classroom with interactive white board and CCTV surveillance.

Recording Studio

Butwal Kalika Campus has a modern recording studio designed to produce professional-grade lectures, tutorials, podcasts, and other video content.

Games and Sports

The college places strong emphasis on overall well-being of students. It encourages students for both indoor and outdoor games such as: basketball, volleyball, table tennis, badminton, and a football etc.

Special Features

EMIS

The campus has an Education Management Information System (EMIS) which serves as a comprehensive tool for managing and organizing educational data and processes. It serves as a centralized digital platform for managing student records, academic progress, attendance, examination results, and institutional data.

LMS

Recently, BKC has launched Learning Management System (LMS) to enhance the teaching and learning experience. This digital platform allows students to access course materials, submit assignments, interact with faculty, and participate in discussions all in one convenient online space. The LMS fosters a blended learning environment by integrating classroom instruction with digital resources, ensuring flexibility, efficiency, and continuous academic engagement. It empowers both students and faculty to stay organized, informed, and connected throughout the academic journey.

BKC Alumni Association

The alumni of BKC is an integral part of Butwal Kalika Campus. This association plays an important role in bringing students who have graduated from BKC under an umbrella for social and professional networking in order to create a mutually beneficial relationship. This alumni network of the campus plays a crucial role in supporting current students and recent graduates by providing mentorship, networking opportunities, and career guidance.

SQC

BKC has Student Quality Circle (SQC) that serves as a bridge between students and administration, ensuring student voices contribute meaningfully to the campus's overall quality and development. It is made up of class representatives (CRs) including males and females. SQC is a common platform for all the students where they can work collaboratively, share their knowledge, and demonstrate their skills.

Research & Publication

Butwal Kalika Campus has a dynamic research and Publication Committee. The RMC organizes research oriented programs on regular basis to encourage faculties and students in various research activities on emerging issues in business, management, IT and education. They get an opportunity to publish their articles in the Kalika Journal of Multidisciplinary research, a double blind peer-reviewed academic journal.
