FOREWORD

We are pleased to present the annual Education Management Information System (EMIS) report of Butwal Kalika Campus for the fiscal year 2082/83 (2025/26). The EMIS Unit of the campus was entrusted with the responsibility of studying all possible aspects related to the institutional information system, and this report is the outcome of that effort. The report covers key areas including student enrollment, teaching and non-teaching staff, examination results, library, financial status, and research activities.

The data presented herein are disaggregated by relevant variables and analyzed to provide meaningful insights based on indicators derived from various institutional sources. It is expected that this report will serve as a reliable reference for researchers, policymakers, and all stakeholders of the campus.

During this fiscal year, notable progress has been made across academic and administrative domains. Student enrollment has increased significantly, with a total of 1,282 students now enrolled across five programs under three faculties: Management (BBS), Humanities (BCA, BASW, MA-RD), and Education (B.Ed.). On the technology front, the campus has successfully implemented a Learning Management System (LMS) accessible to both students and faculty through web and mobile application platforms. Furthermore, an advanced EMIS web software has been deployed, which is fully integrated with the UGC HEMIS system through API, ensuring seamless data reporting and institutional transparency. Administrative records have been fully digitalized, and efforts to promote technology-enhanced teaching and learning continue to be a priority.

We appreciate the dedication of the EMIS Unit in preparing this comprehensive report and request all readers to provide constructive feedback for further improvement in future editions.

Executive Summary

This annual Education Management Information System (EMIS) report for the fiscal year 2082/83 (2025/26) presents a comprehensive overview of the academic, administrative, and financial status of Butwal Kalika Campus (BKC), a non-profit community-based higher education institution affiliated with Tribhuvan University, located at Ramnagar, Butwal-10, Rupandehi. The campus currently operates five academic programs BBS, BCA, B.Ed., BASW, and MA-RD across three faculties: Management, Humanities and Social Sciences, and Education.

Student Enrollment

The total first-year enrollment for 2082/83 stands at 1,282 students (Male: 457, 42.67%; Female: 825, 64.35%), while cumulative enrollment across all years and programs reaches 3,719 students. The Faculty of Management (BBS) accounts for the largest share of enrollment at 67.08%, followed by Education (B.Ed.) at 21.29%, and Humanities programs collectively at 11.62%. Female students constitute the majority of enrollment across most programs, reflecting strong female participation in higher education at the institution.

Gender Parity Index

The overall GPI of the campus stands at 2.12, indicating significant disparity in favor of female students. At the bachelor's level, the GPI is 2.17, while at the master's level (MA-RD), the GPI is 0.72, reflecting slight male dominance at the postgraduate level. Program-wise, B.Ed. records the highest GPI of 4.64, while BCA records the lowest at 0.55.

Pass Rate

The overall pass rate across all programs for 2082/83 is 44.88% (1,070 out of 2,384 appearances). The BCA semester program records the highest pass rate at 97.50%, followed by MA-RD at 76.81% and BASW at 71.43%. BBS records the lowest pass rate at 36.31%, attributable to its significantly higher enrollment and examination volume. A declining pass rate trend from 42.5% in 2022 to 32.4% in 2024 warrants institutional attention toward academic support and quality enhancement measures.

SECTION I: INTRODUCTION

1.1 Historical Background

Butwal Kalika Campus is situated at Ramnagar, Butwal-10, Rupandehi. It has been established to enlighten the quality of education and to address the current needs of society with the joint effort of community members and the active participation of social workers in the campus area. It is a non-profit public campus in Rupandehi district, founded in 2070 BS with T.U affiliations. At the beginning, it started its classes in Kalika Manavgyan Secondary School buildings with 10 years contract. Now, it has its own buildings. BKC intends to strengthen, promote, and empower the existing educational background of Rupandehi district and its periphery. It emphasizes quality education and promotes practical-based teaching and learning activities. We believe in producing qualified manpower with computer knowledge. We have the provision of learning with real context.

The campus has been established to fulfill the emerging needs of the public. Along with the increasing number of populations, the huge scale of population is searching for an academic institute to provide quality education. Hence, we realized the emerging need for a public campus in this locality; as a result, BKC has been established. It has great and warm support from the local parents, students, and other personalities of the society. The Campus aims at providing quality education to the students at the cheapest fee so that the students from the minority group can benefit. It has been established with a view to developing the country by providing qualified, talented, and skilled manpower with high moral ethics, and has become the first choice of many students. We are proud of having qualified and dedicated teachers, visionary academicians, and professionals, combined with cooperative administrative staff.

1.2 Present Status

Although the Campus has been situated inside Kalika Manavgyan Secondary School with 10 years contract, it is now constructing a three-story building of its own at Ramnagar. Earlier, we had many difficulties regarding the management of administrative offices, department offices, Exam, Account, and other offices, but now we are constructing a systematic campus building with well-ventilated and multimedia classrooms. Though the campus has no sufficient lands of its own, but it has managed all the academic activities properly. The under-construction campus building has

its 4 floored building with AC and non-AC classrooms, department offices, the campus chief office, and the Assistant. Campus chief office, CMC office, lab rooms, library, multimedia class, staff room, guard room, changing room, career counselling room, exam management room, account room, restrooms, and waiting rooms.

This report comprises information about a higher education institution (BKC Campus), student enrollment, pass graduates, gender parity index (GPI), teaching and non-teaching staff, academic department and programs, research and publication, and financial status of the campus. It is expected that the publication of this report will make positive impact on the overall performance of the campus. Through the careful examination of this report, it will be easier for the campus management to monitor the distribution of resources and allocation of budget among various aspects of institutional development.

1.3 Organization of the Report

There are eleven sections in the report; first section provides introduction of the report, second section provides background information of faculty/institute in the campus. Section three gives faculty-wise and program-wise information on enrollment status and gender-wise distribution of the available data. Section four offers' data on GPI. Section five provides information on graduates pass from the campus. Section six presents information about distribution of graduates of the campus. Section seven provides the gross enrollment ratios for bachelors and master degrees. Section eight presents information on the financial source and other financial aspect of the campus. Information on teaching and non-teaching staffs is presented in section nine. Section ten lists the student/teacher ratio (STR) in the campus. Section eleven provides the information on the research and publication status of the campus. The main texts are followed by annexure in the report. It includes a total of eight annexes.

1.4 Methodology

This report was prepared through the direct and indirect contributions of various faculties, departments, and administrative divisions within BKC Campus.

1.4.1 Data Collection

Data were collected from the administrative sections and various functional divisions of the campus to ensure a comprehensive dataset.

1.4.2 Data Processing

The obtained data were analyzed using descriptive statistics to identify key trends. These findings are presented through simplified tables and figures as necessary to ensure clarity and ease of interpretation.

1.4.3 Scope and Limitations

The data collection process is significantly time-consuming and labor-intensive, as the campus continues to rely on its current web-based system for record-keeping. The manual nature of extracting and verifying these records remains a primary constraint.

The program records a total cumulative enrollment of 79 students across four semesters (Male: 46; Female: 33). The "Others" ethnic group accounts for the largest share of enrollment with 56 students, followed by Janajati with 12 students. The 1st and 3rd semesters record active enrollment of 28 and 27 students respectively, while the 2nd and 4th semesters reflect transitional cohorts with 0 and 24 students respectively, consistent with the alternating intake pattern of a semester-based master's program. Male enrollment marginally exceeds female enrollment, yielding a GPI of 0.77, indicating slight male dominance in this postgraduate program.

SECTION IV: PASS RATE

This section presents the pass rate data of the final examinations across different programs and levels of Butwal Kalika Campus for the fiscal year 2082/83 (2025/26). Pass rate is calculated as the ratio of students who passed to the total number of students who appeared in the examination, expressed as a percentage. Data are disaggregated by program, gender, year/semester, and batch to facilitate a comprehensive analysis of academic performance across faculties

SECTION IV: GENDER PARITY INDEX

Gender Parity Index (GPI) measures the relative access of female students to higher education and is expressed as the ratio of female to male enrollment. A GPI value close to 1 indicates near-equality; a value less than 1 reflects disparity in favor of males, while a value greater than 1 reflects disparity in favor of females. In the fiscal year 2082/83 (2025/26), the overall GPI of Butwal Kalika Campus stands at 2.12, based on cumulative enrollment across all programs and academic years, indicating a significant disparity in favor of female students.

8.4 Gender and Ethnic Distribution of Non-Teaching Staff

Table 21: Gender and Ethnic Distribution of Non-Teaching Staff

Ethnic Group	Female	Male	Total
Janajati	3	7	10
Madheshi	0	2	2
Others	1	1	2
Total	4	10	14

The gender and ethnic distribution of non-teaching staff reveals a total of 14 staff members, comprising 10 males (71.43%) and 4 females (28.57%). Janajati represents the largest ethnic group with 10 staff members (Male: 7; Female: 3), followed by Madheshi and Others, each with 2 members. The data indicates a notable gender imbalance in non-teaching staff, with male representation significantly higher across all ethnic groups, which may be considered in future recruitment planning to promote gender equity in administrative positions.

SECTION IX: STUDENT-TEACHER RATIO

Student-Teacher ratio (STR) measures the average number of students per teacher. It is calculated by the total number of students divided by the total number of teachers. In this section, the STR of the campus and the STR of the faculty and institute are presented.

9.1 Student-to-Teacher Ratios of different faculties and programs

Table 22: Student-to-Teacher Ratios of different faculties and programs

Faculty/Institute	Students	Teachers	STR
Management (BBS)	2654	28	94.79
Humanities (BCA, BASW, MA-RD)	428	8	53.5
Education (B.Ed.)	637	8	79.63
Total	3719	44	

Table 22 presents the Student-Teacher Ratio (STR) across faculties based on cumulative enrollment. The overall campus enrolls 3,719 students served by 44 teachers. The Faculty of Management (BBS) records the highest STR of 94.79, followed by the Faculty of Education (B.Ed.) at 79.63, and the Faculty of Humanities (BCA, BASW, MA-RD) at 53.50. The elevated STR in Management reflects its disproportionately high student enrollment relative to available teaching staff, indicating a need for additional faculty recruitment to maintain instructional quality and meet QAA standards.

SECTION X: RECENT TRENDS

This section presents the recent trends in student enrollment, graduate output, pass rates, and public financing at Butwal Kalika Campus over the past three fiscal years. The trend analysis provides a longitudinal perspective on institutional growth and academic performance, facilitating evidence-based planning and policy formulation.

10.1 Trends of Enrollment in Different Faculties

Table 23: Trends of Enrollment in Different Faculties

3	Humanities	119	113	152

Table 22 and Figure 8 present the three-year enrollment trends across faculties from fiscal year 2080/81 to 2082/83. The Faculty of Management recorded enrollments of 778, 759, and 860 students respectively, showing a dip in 2081/82 followed by a strong recovery in 2082/83. The Faculty of Education demonstrated consistent growth from 112 to 219 to 275 students, reflecting increasing demand for the B.Ed. program since its introduction. The Faculty of Humanities recorded enrollments of 119, 113, and 152 students, showing a modest recovery in 2082/83 after a slight decline in 2081/82. Overall, total first-year enrollment across all faculties has shown a positive upward trend, indicating growing institutional capacity and student demand.

	Education	0	0	0

2024	Management	37	90	127
	Humanities & Social Sciences	26	5	31
	Education	2	14	16

Table 23 presents the trend of graduates by faculty from 2022 to 2024. The Faculty of Management has consistently produced the highest number of graduates, growing from 21 in 2022 to 82 in 2023 and 127 in 2024, reflecting strong program maturity and retention. The Faculty of Humanities and Social Sciences recorded 0 graduates in 2022, 16 in 2023, and 31 in 2024, indicating progressive program completion as initial BCA cohorts matured. The Faculty of Education produced its first graduates in 2024, with 16 students (Male: 2; Female: 14), consistent with the B.Ed. program's 2080 BS affiliation timeline. The overall graduate output across all faculties has grown significantly, from 21 in 2022 to 174 in 2024, demonstrating institutional academic progress.

10.3 Trends of Pass Rate by Faculties

Table 25: Trends of Pass Rate by Faculties

Year (Batch)	Total Appeared	Total Passed	Overall Pass Rate (%)
2024	823	267	32.4%
2023	573	228	39.8%
2022	501	213	42.5%

Table 24 presents the three-year trend of overall pass rates across all programs. The total number of students appeared increased from 501 in 2022 to 573 in 2023 and 823 in 2024, reflecting growing enrollment and examination volume. However, the overall pass rate has followed a declining trend — from 42.5% in 2022 to 39.8% in 2023 and 32.4% in 2024 — which may be attributed to the increasing proportion of students in newly introduced programs still in early stages of academic consolidation, as well as the larger and more diverse student cohort appearing in examinations. This trend warrants institutional attention in terms of academic support mechanisms and teaching-learning quality enhancement.

10.4 Trends of Public Financing for the last three fiscal years.

Table 26: Trends of Public Financing for the last three fiscal years.

SN		Total Income	Total Expenditure
1	2079/080	75,549,418.38	55,832,793.00
